# 2019 POST SHOW REPORT

In its inaugural year, Solar Power Puerto Rico welcomed more than 400 industry professionals and 30 exhibitors to San Juan for two days of in-depth education, exhibition, and networking. In collaboration with industry leader's Smart Electric Power Alliance (SEPA), Solar Energy Industries Association (SEIA), and their local affiliate Solar and Energy Storage Association of Puerto Rico (SESA-PR), the event showcased the latest insights from Hon. Ricardo Rosselló Nevares, Governor of Puerto Rico, and numerous industry leaders.
